Dear Friend of SIS,

On Saturday, September 17, 2022, SIS will be holding its 3rd Annual Pickleball Fundraising Tournament. We sold out our previous tournament, and we are looking for community partners to grow with this event as an event sponsor. In addition, we are looking to expand this tournament with additional courts. Your sponsorship will help us in running a successful event.

For 17 years, Sustain, Inspire, Survive (SIS) has been committed to improving the quality of life for patients facing a breast cancer diagnosis in Rochester and surrounding counties. **Since 2005, SIS has provided assistance to 1150 patients in the amount of \$763,774.**

SIS is a local 501(C) (3) non-profit founded in 2005 to meet the often-overlooked financial needs of patients and their families while undergoing breast cancer treatment. SIS provides financial grants to patients to support day to day living expenses while they are undergoing therapies so patients can focus on their health and getting better.

To be a sponsor, you can:

- Fill out sponsorship online on our website at: www.helpsis.com **OR**
- Fill the enclosed form and mail the form per the address provided or I can pick it up.

Please note, your sponsorship is tax deductible as allowed by law.

Please send any questions to me or Lizanne Zamites, Executive Director, at contact.helpsis@gmail.com or by cell at 585-825-9334.

Thank you for your support of SIS!

Our Mission

SIS is committed to improving the quality of life for those who are battling breast cancer. We do this by providing financial assistance, essential services, and quality of life enhancements during treatment to those in need. This grant money was used by recipients to help pay for a multitude of necessities such as medical bills, prescriptions, food, rent, gas and electric, and other medical supplies and procedures.
